SPARKLEAN
TOTAL HYGIENE SOLUTIONS

SPARKLEAN
TOTAL HYGIENE SOLUTIONS

ABOUT US

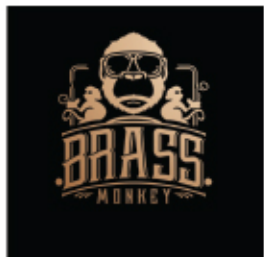

Sparklean was founded in 2011 with the aim of providing best possible long term solutions to cleaning, sanitation and hygiene related concerns. We understand the importance of 'TIME'. Hence we try to simplify matters by taking care of these needs, so you can turn your attention to other, more important things in life. Sparklean is a "one stop shop" for all your janitorial requirements (pls. see the product range below) under one roof, saving you a great deal of time, effort and not to mention, money. Our combination of knowledge and consistency helps us to offer the best products at the best prices. With our vast knowledge in the industry we guarantee, we can help you overcome the toughest challenges that you might be facing in regards to cleaning and de staining. Because we work in close partnership with our customers, we have extraordinary insight into the challenges they face. We send in our experts to you as part of our additional service. With on-site presence and the latest technology we solve problems and find opportunities. We work together to develop clean, safe and sustainable practices. Sparklean has a respectable list of suppliers, providing the customer with a wide selection, and specialized solutions.

VISION STATEMENT: Our vision is to be the ultimate solution provider, a trusted partner delivering top-quality products, reliable solutions, and exceptional service to our customers. An organization that values its employees, offering competitive pay and a positive work environment.

MISSION STATEMENT: At Sparklean, we are dedicated to invention, innovation and sourcing of top-quality products providing expert solutions. Through continuous training, hard work, and commitment we deliver unmatched value and set new standards in the industry.

CORE VALUES: At Sparklean we are driven by trust, honesty, openness, and integrity. We believe in building lasting relationships through transparency and accessibility, always staying true to our word and delivering on our promises.
